

Preparation List for the *Christ in the Feast of Tabernacles* Presentation

.....

The speaker will arrive approximately one hour before the service to set up. Upon arrival, our missionary may need some help carrying things in and setting up for the presentation.

Many of our missionaries now use PowerPoint to assist them with the Christ in the Feast of Tabernacles presentation. You'll want to be in touch with the missionary to see if they'll be using electronic aids or the physical booth. If they are building a Sukkah, you will need the following items:

- **An 8' x 8' cleared platform area**
- **Four 12" white dripless dinner candles and matches**
- **One card table draped with a white tablecloth**
- **A medium pitcher of water**

Other materials vary depending upon the speaker. The speaker will discuss any other needs with you when they contact you a couple of weeks prior to the presentation.

The Christ in the Feast of Tabernacles presentation takes 45 minutes. Please allow sufficient time and if need be, let your members know the service will be longer than usual.
